Dear Mr. Martin, *Bill*

I would like to invite you to participate in a two day seminar on the Third World which the DCF's Intelligence Producers Council will sponsor on 21 and 22 October 1982. The seminar will meet at the Department of State, Washington, D.C., and I shall function as Chairman.

The seminar offers the prospect of providing a forum for senior and analyst-level members of the Intelligence Community, executives from consumer agencies, and distinguished academicians to interact on questions pertaining to information needs on the Third World. A series of informative presentations will be interspersed with periods of panel discussion, all designed to provide a stimulating environment for the exchange of ideas on the Third World.

I would be grateful if you could address the seminar on the morning of 22 October on the subject of the supply and demand for energy in the Third World. If you concur, your presentation should last 30 minutes and will be followed by a brief period of questions and answers.

Your participation would greatly enhance our efforts to understand the problems we face in providing information on Third World matters. Please have a member of your staff contact the action officer for the seminar to convey your decision. Chief, Intelligence Producers Council Staff, can be contacted on Additional information will be sent to you as our plans become firm.
